

Adopt A Family

at St. Vincent Family Services

Each holiday season, we lift up the children and families in our care most in need through SVFS' Adopt A Family program. Here's how you can help!

Adopt an SVFS family for the holiday season

We're thrilled to return to an in-person holiday experience for our Holiday Helpers and our families!

Step 1: Complete the **Adopt A Family Interest Survey**

- This is how we'll capture your information for communication, learn more about how you'd like to support, and match you to a family in need.

Step 2: Receive family match(es) from the SVFS team

- Your family match(es) will include a personalized Wish List as a shopping guide.

Step 3: Shop for gifts based on the family Wish Lists

Step 4: Wrap and label gifts for your family(ies)

Step 5: Deliver gifts to SVFS!

- Gift delivery dates range from December 1st-3rd. You will receive an assigned delivery day/time prior to this date.
