

# Summertime at SVFS!

St. Vincent Family Services' Summer Program is a therapeutic summer experience for children ages 4 -12 needing behavioral and social-emotional health support.

SVFS provides expert behavioral health care in a small group setting, giving children the tools to manage their needs and behaviors - all while having FUN!

- Small group size ratios
- 2.5 hours of daily group therapy
- Daily enrichment activities like water play, outdoor games, arts & crafts, and more!
- Free breakfast and lunch
- Transportation provided

Secure your spot today!
