

Adopt A Family 2023

at St. Vincent Family Services

Each holiday season, we lift up the children and families in our care who are most in need through SVFS' Adopt A Family program. Thank you for considering a donation in support of families in need of holiday gifts for their children.

Adopt an SVFS family for the holiday season

Step 1: Complete the **Adopt A Family Interest Survey**

- This is how we'll capture your information for communication, learn more about how you'd like to support, and match you to a family in need.

Step 2: Receive family match(es) from the SVFS team

- Your family match(es) will include a personalized Wish List as a guide.

Step 3: Shop for gifts based on the family Wish Lists

- Donors typically expect to spend about \$100 per child.

Step 4: Wrap and label gifts for your family(ies)

- Please see next page for further instructions.

Step 5: Deliver gifts to SVFS!

- Gift drop off will take place December 7th - 9th.

To support SVFS children and their families during the holiday season and year round,

at St. Vincent Family Services

Additional Information

- Donors are welcome to purchase items outside of those included on the Wish Lists, using the Wish List as a guide to personalizing gifts to the needs and interests of each child.
- Some donors choose to provide additional gift items for the parents/whole family or help with basic needs (i.e. meal or grocery gift cards). This is not required but always appreciated!
- Wrapping & Labeling Instructions:
 - The provided Wish List will contain codes in place of names, to protect our client privacy. Thank you for understanding the importance of this precaution!
 - Please gift wrap your purchased items and label each gift for the appropriate child. We will replace each gift tag with a personalized name tag before delivery.
 - Please place all wrapped gifts into large plastic bag(s) or cardboard box(es) labeled with the family code.
- Gift delivery will be held at SVFS (1490 East Main Street, Columbus OH) on December 7th, 8th, and 9th. You will receive further details and designated delivery date and time via email.
- *To support our in-person gift drop off and distribution to families, we are in need of volunteer groups who are able to help make this possible! If you are part of a group that would like to give of your time, please contact Catherine Sherman (contact information below) for details.*

Questions?

If you have further questions, please feel free to reach out to **Catherine Sherman** at csherman@svfc.org or **(614) 813-2543**.
