

Adopt A Family 2024

at St. Vincent Family Services

Each holiday season, we lift up the children and families in our care who are most in need through SVFS' Adopt A Family program. Thank you for considering a donation in support of families in need of holiday gifts for their children.

Adopt an SVFS family for the holiday season

Step 1: Complete the **Adopt A Family Interest Survey** to sign up!

- All donors must sign and upload the provided confidentiality agreement before you will be able to submit.

Step 2: Receive family match(es) from the SVFS team

- Your family match(es) will include a personalized Wish List as a shopping guide.

Step 3: Shop for gifts based on the family Wish Lists

- Donors typically expect to spend about \$100 - \$150 per child.

Step 4: Wrap and label gifts for your family(ies)

- Please see next page for further instructions.

Step 5: Deliver gifts to SVFS on December 5th and 6th!

- You will select your preferred drop-off date during sign-up, and then we will follow up with further details and drop-off instructions.

To support SVFS children and their families during the holiday season and year round,

at St. Vincent Family Services

Additional Information

- Donors are welcome to purchase items outside of those included on the Wish Lists, using the Wish List as a guide to personalizing gifts to the needs and interests of each child.
- Some donors choose to provide additional gift items for the parents/whole family or help with basic needs (i.e. meal or grocery gift cards). This is not required but always appreciated!
- Wrapping & Labeling Instructions:
 - The provided Wish List will contain a Family Code that will help us to ensure that the gifts are delivered to the correct family.
 - Gift wrap your purchased items and label/tag each gift for the appropriate child.
 - Please place all wrapped gifts into large plastic bag(s) or cardboard box(es) labeled clearly with the **Family Code**.
- Gift delivery will be held at SVFS (**1490 East Main Street, Columbus OH**) on **December 5th and 6th**. You will receive further details and instructions beforehand.
- *To support our in-person gift drop off and distribution to families, we are in need of volunteer groups who are able to help make this possible! If you are part of a group that would like to give of your time, please contact Catherine Sherman (contact information below) for details.*

Questions?

If you have further questions, please reach out to our team at aaf@svfc.org or **614-285-7479**.
